1	BEFORE THE TEACHER STANDARDS AND PRACTICES COMMISSION		
2	OF THE STATE OF OREGON		
3	In the matter of the Teaching and Administrative Licenses of: SURRENDER OF LICENSE AND		
4	EDWIN THOMAS LEGACE, JR. ORDER		
5			
6	Based on negotiations between the Teacher Standards and Practices Commission		
7	(Commission) and Edwin Thomas Legace Jr., Mr. Legace has agreed to surrender his Oregon		
8	Teaching and Administrative Licenses pursuant to OAR 584-050-0027. In entering this		
9	stipulation, Mr. Legace understands that the Commission will accept the surrender of his licenses		
10	and impose a revocation of the licenses. As part of the negotiations in this matter, the		
11	Commission has agreed upon submission of an appropriate application, to issue to Mr. Legace an		
12	Administrative Teaching License in order to allow him to complete the current semester of his		
13	employment as an administrator with the Crook County School District where he has been		
14	working under a misassignment.		
15	STIPULATION		
16	1. Mr. Legace holds an Oregon Administrative License and an Oregon Teaching		
17	License.		
18	2. During the 1987-88 school year, Mr. Legace had sexual contact, including sexual		
19	intercourse, with a 17 year old female high school student of the El Capitan High School in		
20	Lakeside, California, while Mr. Legace was employed as a teacher at the school. As a result, the		
21	student had a child in 1998, and Mr. Legace is the father of that child. Mr. Legace		
22	maintains that sexual intercourse occurred on only one occasion.

1	3. Mr. Legace filed applications with the Commission for an Oregon Teaching		
2	License in June 1993, August 1994, May 1996 and August 1996. On his applications, he		
3	answered "no" to the questions: "Have you ever been released or have you ever resigned from		
4	any educational position or school related employment because of a claim that you engaged in		
5	misconduct or unsatisfactory service?" and "Have you ever resigned from an educational		
6	position or school-related employment while under investigation for misconduct or		
7	unsatisfactory service?" These statements were false because Mr. Legace had resigned from a		
8	teaching position at the Grossmont Union High School in 1988 while under investigation by the		
9	district for professional misconduct.		
10	Based on the above, Mr. Legace surrenders his teaching and administrative licenses, and		
11	he understands that the Commission will revoke his licenses.
