## OF THE STATE OF OREGON

3 4 5	In the Matter of the ) STIPULATION OF FACTS Teaching License of ) AND LARRY ANTHONY WILLIAMS ) ORDER OF REPRIMAND
6	On or about June 22, 2007, the Teacher Standards and Practices Commission
7	(Commission) received a report from the Eugene School District that Mr. Williams served
8	without proper licensure from 2005 through 2007.
9	Mr. Williams fully cooperated with the Commission's investigation. After review of the
10	matters alleged, Mr. Williams and the Executive Director agree that their respective interests,
11	together with the public interest, are best served by a stipulation to certain facts and a public
12	reprimand.
13	This Order sets forth the facts upon which the parties have agreed and the sanction to
14	be imposed. Mr. Williams stipulates that there are sufficient facts contained in the
	Commission's files and records to support the findings of fact and conclusion of law set forth
16	below. In entering into this stipulation, Mr. Williams waives the right to a hearing to contest the
17	findings of fact, conclusion of law and order set forth below.
18	This stipulation is contingent upon approval and adoption of the Order by the
19	Commission. If the Commission does not adopt this Order, neither Mr. Williams nor the
20	Commission are bound by these Stipulations, and Mr. Williams retains all rights to a hearing or
21	the allegations.
22	STIPULATION OF FACTS
23	1. Mr. Williams was employed as a Wallace Grant Intern while employed in the Eugene
24	School District with Churchill High School as a Multicultural Affairs Coordinator, and Kelly
25	Middle School as a Wallace Grant Administrative Intern. The Wallace Grant program
26	encourages diversity in the work force. In 2005 Mr. Williams accepted employment as an
	Assistant Principal at the Meadow View School in the Bethel School District. Mr. Williams held
28	this position through 2007.

1	2. Mr. Williams began teaching during his Masters program at the University of Oregon
	and has completed his Administrators License Program through the University. Mr. Willaims
3	assumed because he was employed during this time he assumed he was licensed. Mr.
4	Williams' participation in the Wallace Grant led to confusion about his licensure status.
5	3. Mr. Williams did not discover that he was not licensed until he accepted an offer of
6	employment with the Eugene School District. The Eugene School district has requested a one-
7	year Emergency Administrator's License for Mr. Williams. Mr. Williams understands the need to
8	be properly licensed and regrets this oversight.
